

Creatives Workshop

Students at De Salis spent the afternoon joined by their sister Studio College, Parkside, in a fun filled Creatives Workshop. Students were met with the likes of Capital Xtra and the director of an award-winning web series as they were given the opportunity to network and further participate in creative based activities, enabling them to enhance their knowledge and skills in the creative industry.

Law Earth Day Event

As part of celebrating Earth Day, to demonstrate support for environmental protection, Year 13 Law students took part in a presentation competition. The focus was on the use of "fracking", also known as hydraulic fracturing, and its impact on the environment whilst the presentation was based on the following statement: "To Frack or Not to Frack: That is the Question."

In addition to raising awareness of environmental issues, this event enabled our Law students to further refine their public speaking skills as being able to articulate oneself eloquently is an invaluable life skill.

Congratulations to Priyali - the winner of the competition. A special mention goes to our two judges who had the difficult task of choosing the winner out of many strong contenders. Well done to our Year 13 Law Class of 2021.

Notification of Change of Student Details

Parents, guardians and carers are reminded of the importance of keeping the College informed of changes to children's details such as changes to mobile telephone numbers, emergency contacts, doctor's surgeries, important medical information etc. In the event of an emergency, it is vitally important for us to be able to access up to date, accurate student contact and medical information on our database. Please support us in our duty of care for your child by ensuring that any changes to contact and medical details are communicated to us as they happen. Thank you.

College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instil a sense of pride, identity and belonging. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

Equipment Expectations

It is expected that all students attend all lessons equipped with the following:

- 2 Pens (black or dark blue ink)
- 2 Pencils
- Ruler
- Eraser
- Pencil sharpener
- Highlighter
- Calculator
- Protractor
- Pair of compasses

The support of parents, guardians and carers in this matter is appreciated.

E-Safety

The Internet is an amazing resource, which enables children to connect, communicate and be creative in a number of different ways on a range of devices. However, children need constant advice and protection when it comes to managing their time online. They need strict guidance to positively and safely access information on the Internet, communicate via social networks, use applications and play games. At college, children's online activity is monitored very closely and strict software security programmes are installed to prevent children accessing inappropriate content. We advise parents, guardians and carers to reinforce the important message of staying safe online when they are at home. Please ensure your children understand the rules you put in place to keep them safe. Talk to them on a regular basis about what they are looking at online and ensure that you install appropriate software to support and manage your child's safe use of the Internet. Keep your child safe online!
