

National Citizen Service Visit

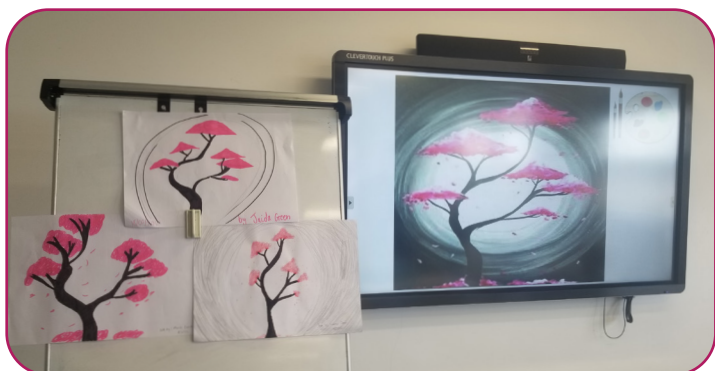

Year 11 students attended a special assembly where they were visited by the National Citizen Service (NCS). Our guests from NCS informed our students of the highly recognised youth project programme, which is specially designed for 16 to 17-year-olds to build on their self-confidence and social skills, and gain insight into the programme's connections and network along with the bursary options that are available.

The assembly was well received by the students and allowed them to gain a better understanding of the programme; we hope to see many sign up this summer! Thank you to the team from NCS for their time spent at De Salis.

Creative Arts Club

Our Creative Arts Club is more than just a hobby. Not only do students draw, paint and demonstrate their artistic disciplines with all things Art, but they also get creative in other ways too! From dance choreography to meditation, music and sketching, this club is perfect to end your day and will have you feeling calm and relaxed after a busy college day!

Enrichment Week

Please be reminded that Monday 24th through to Friday 28th May is Enrichment Week. Students in Years 9, 10 and 11 will be invited to attend if they need to catch up on their coursework. Letters have been sent home to parents, guardians and carers, informing them of what the week will entail, from intervention classes to exciting activities to catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College on 020 3819 3421.

Face Masks

As you are all aware, the government has announced that the wearing of face masks will only be compulsory in communal areas. With this being said, the health and safety of our students and staff are of paramount importance, and therefore, we have decided that face masks should continue to be worn in all areas of the College until Friday 21st May. For more information, please visit http://upload.reactcdn.co.uk/rosedale_desalis/uploads/document/2_241_face-mask-letter.pdf for access to the College letter that was distributed to parents, guardians and carers.

Term Dates

As you will appreciate, since schools were given the mandate to re-open fully, it has been necessary for the College to review its schedule and revise plans for the remaining weeks of this term. Please find further details by accessing the letter uploaded on our website at http://upload.reactcdn.co.uk/rosedale_desalis/uploads/document/2_239_enrichment-week-letter-4.5.21.pdf.

Quote of the Week

"Having more and more won't solve the problem, and happiness does not lie in possessions, or even relationships; The answer lies within ourselves. If we can't find peace and happiness there, it's not going to come from the outside." - Tenzin Palmo
