De Salis Business Project

Business and Retail students at De Salis have been working hard on their end of term project, from business plans to marketing and even investments and profit, students finally came up with the idea to make and sell Christmas Wreaths and Table Decorations. Students had a trial run of decoration making which proved to be successful and are already receiving pre-orders for the Christmas rush! If you would like to purchase one of these decorations, please scan the QR code on the tile below or follow the link (<u>https://forms.office.com/e/BTZ9w9czmc</u>) which will take you to our online order form. If you wish to complete your order form in person, please visit us at the De Salis Reception which is located on Hewens Road, Hayes, UB4 8JP. Please note that it is cash payment only, and orders will not begin until this is received.

Year 11 Trial Examinations

We would like to remind all parents, guardians and carers that from Monday 28th November to Friday 2nd December, all Year 11 students at De Salis will be sitting their GCSE trial examinations.

All examinations will take place in the Courtroom, where students are expected to arrive promptly and at least 15 minutes prior to the start of each examination session. All students are expected to wear full college uniform and attend all examinations with the necessary equipment.

We wish all of our students the best of luck!

Post 16 Open Evening - Wednesday 30th November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students. The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Wednesday 30th November at 5:30pm to 7:45pm at Rosedale College to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed! The Director's Speeches will take place at 6:00pm and 7:00pm. In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at (https://www. therosedalehewensacademytrust.co.uk/post-16)

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Quote of the Week

"Your time is limited, so don't waste it living someone else's life and don't let the noise of others' opinions drown out your own inner voice. Most important, have the courage to follow our heart and intuition. They somehow already know what you truly want to become." - *Steve Jobs*
