

Valentine's Enterprise Project

As part of the Business and enterprise ethos at De Salis, students regularly take part in project-based learning. Valentine's Day was no exception, when our students decided to create a production line and hand wrap their own roses, sweets, fudge, and chocolates to sell as gifts. They created handmade labels and cards, along with marketing materials, and later used the Pop-Up shop to sell these to their peers. Students even came up with the idea of 'secret deliveries' where they took orders which could later be delivered to the person of their choice, anonymously. The event gave the entire college a buzz of energy and excitement and we can't wait to see what the students come up with next!
