

Post 16 Visit to J.P. Morgan Chase

On Monday 3rd and Tuesday 4th July, 30 of our current Post 16 Year 12 students were afforded the opportunity to visit the J.P. Morgan Chase offices in Embankment and Canary Wharf. This was made possible through the Trust's current partnership with Diversity Org. During the visits, students were given the chance to interact with employees from the J.P. Morgan Chase office through custom-made workshops:

- **Career Exposure Panel** - A panel discussion where representatives from the company share their past route of education and career path.
- **Financial Health & Literacy** - A panel discussion where students learn financial responsibility (e.g. spending & saving habits), how to establish credit and understand how interest rates work.
- **Overcoming Imposter Syndrome** - A panel discussion aimed to help students build the confidence needed to speak on their skills and accomplishments as well as identify imposter syndrome triggers.

The career Exposure Panel workshop managed to introduce the students to individuals who held the following careers and the perks of their profession:

- Discretionary Portfolio Manager
- Investment Specialist
- Risk & Compliance Lead
- Banker Professional
- Investor
- EMEA Exchange Traded Fund Manager
- Sustainable Investment Strategist
- Corporate legal professionals
- Sustainable legal advisor
- Asset managers / custodians

The Financial Health and Literacy workshop managed to clarify myths, misunderstandings and misconceptions of bank debit and credit, whilst the Overcoming Imposter Syndrome workshop managed to expose students to the experiences of imposter syndrome in the school, professional and social lives of JP Morgan professionals.

The day's visit also gave students who were part of Diversity Org's Future Leaders Programme a platform to present who they were, their current interests and future ambitions to both their peers and the employees at the office.

The visits ended with an opportunity for students to network with the professionals from J.P. Morgan Chase one-to-one and record testimonials for the day's events, which overall improved to be a massive success and the Post 16 students are thankful for the valuable learning opportunities they received.

Year 11 Prom - Friday 14th July 2023

Owing to its huge demand in previous years, we would like to remind students to confirm their attendance and secure their places promptly for the Year 11 Prom, taking place at Q Vardis on Friday 14th July 2023. This is a great opportunity for students to celebrate the culmination of their Year 11 experience, as they will look back and remember this milestone event for the rest of their lives. This year's lavish affair, where attention to detail will be paramount, will see our 2023 Leavers cohort creating extraordinary memories that will last a lifetime.

We have a number of exciting events lined up for the evening; so, get your tickets and experience your one and only Prom in the most extraordinary way! Tickets are available to purchase via iPayimpact (<https://www.desalisstudiocollege.co.uk/latest-news/year-11-prom-tickets-now-available>)

College Uniform - New Stock Available

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instill a sense of pride, identity and belonging. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

We have now re-stocked our shop and encourage parents, guardians and carers to purchase any new uniform in preparation for the new academic year via iPayimpact: (<https://www.ipayimpact.co.uk/IPI/Account/LogOn>)
