

## Sports Day 2023

On Thursday 13th July, students in Years 10 and 11 from across The Rosedale Hewens Academy Trust met at the Hillingdon Athletics Ground to kick start Sports Day. From events such as track, shot-put, javelin, and relay, De Salis proved harmonious in their team work and support. Well done to all students who took part and made De Salis Proud!

## End of Term

The term ends on Friday 4th August. All students will be expected to attend college at the normal time of 8:45am, but there will be an early dismissal of 1:00pm. We hope students are looking forward to this well-deserved break.

## Term Dates

The 2023-24 term dates are detailed on our website and can be accessed via (<https://www.desalisstudiocollege.co.uk/term-dates>).

Please check these dates as they will be particularly helpful to parents, guardians or carers planning family holidays and activities.

## Lost Property

All lost property enquiries should be directed to the main reception of the College on 020 3819 3421. Items that are found on the campus that are clearly marked with the student's name are returned to the student as soon as possible. All unnamed items are kept by reception for students to check.

## Academic Tutoring

Academic Tutoring appointments are currently being organised for students in Key Stages 3, 4 and Post 16 on Monday 4th and Tuesday 5th September 2023.

A separate communication to confirm these appointments will be sent out to parents, guardians and carers in due course. If you have any concerns in regard to your appointment, please contact your child's form tutor via the College reception.

## Electric Scooters

Hillingdon Council has received numerous reports of electric scooters being used across the borough. As such, the School Travel and Road Safety team has issued guidance for parents, guardians and carers regarding the legality of using electric scooters in the UK.

Electric scooters, segways, hoverboards and a number of other 'powered transporters' are considered to be 'motor vehicles' and are therefore subject to the same legal requirements that apply to cars – tax, insurance and licensing. Such vehicles are illegal to use on the road and in most public spaces unless they conform to the law; they are also prohibited from being used on cycle tracks, cycle lanes, and other spaces dedicated to pedal cycle use only.

Those who do not comply with the relevant Road Traffic Legislation may face potential prosecution and any offence may result in having to pay a fixed penalty fine. As such, the College requests that children do not use any of the modes of transport listed above, particularly as means of commuting to college. For the Parents' Guide to Electric Scooters, please visit:
