The visit enhanced the Students' knowledge of the History the UK's Central Bank and its important role in the economy. Students explored how the Bank differs from a high street bank and how changes in technology have enhanced the global banking system. Students also had the opportunity to learn about the importance of cyber security.

EXAMINATIONS, YEAR 10

The end of year examinations for Year 10 students will take place from Monday 12th June to Thursday 22nd June. During the time of these examinations, all Year 10 students must attend college at the normal time of time each day. Students need to go directly to their Form Room for morning registration and will then either attend normal lessons or a timetabled examination, whichever is applicable. It is important for all students to bring the appropriate equipment i.e. pen, pencil and calculator to the examinations. Students must also note that no electronic device (e.g. phone, iPod, Smart Watch etc.) will be allowed into the examination venues. Such items must be left at home or handed in at the start of each examination. Please note that the College does not take responsibility for loss or damage to these items so we therefore strongly recommend that all mobile phones and electronic devices are left at home. If you require any further information or have any questions regarding the trial examinations, please do not hesitate to contact the College reception.

PUBLIC EXAMINATIONS

The timetable of public examinations for the summer series has now been published and commences the week beginning Monday 15th May. It is of vital importance that each student attends college fully prepared for each examination that they are entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, students must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place.

QUOTE OF THE WEEK

"Study without desire spoils the memory, and it retains nothing that it takes in." - *Leonardo da Vinci*.

MOBILE TELEPHONE

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.
