

Odd Socks Day

We are all a little odd, different and individually unique, as odd socks day symbolises. This is not something wrong but rather a cause for celebration. Bullying is not De Salis style. In our diversity we are strong. In our strength we are united. In our unity we are De Salis. On Monday 13th November, students and staff of De Salis supported the movement by finding their most mixed match socks and sporting them to college and help to raise £112.00 for charity.

Medical Appointments

Whenever possible, medical appointments for students should be made outside of college hours. However, when it is not possible to get an appointment outside of college hours, please inform your child's form tutor in writing and in advance of the appointment. It is important to include in your written note to the form tutor if you are collecting your child or if they have your permission to leave college unaccompanied. Please also inform the form tutor if your child will return to college following the appointment.

Term Dates

The 2023-24 term dates are detailed on our website and can be accessed via (<https://www.desalisstudiocollege.co.uk/term-dates>).

Please check these dates as they will be particularly helpful to parents, guardians or carers planning family holidays and activities.

Lost Property

All lost property enquiries should be directed to the main reception of the College on 020 3819 3421. Items that are found on the campus that are clearly marked with the student's name are returned to the student as soon as possible. All unnamed items are kept by reception for students to check.

Health and Hygiene - Good Practice

During the winter months, colds, flus and other infections and illnesses tend to be more prevalent. Therefore, helping your child to keep a good standard of hygiene by washing their hands regularly, using tissues when sneezing and covering their mouths when coughing helps to prevent the spread of infections and illnesses. If your child has suffered from a vomiting virus, please ensure that they remain absent from college for 48 hours from the last episode of diarrhea or vomiting as advised by Public Health England.

Student Welfare - Medication in College

Please note that students are not permitted to carry any medication (with the exception of inhalers for asthma or Health Care Plan specified medication) whilst in college. This is to ensure the safety and wellbeing of all students.

If you wish your child to take prescribed medicine such as antibiotics, or other non-prescribed medication, such as paracetamol, during the College day, please contact the College reception for an 'Administration of Medicines and Treatment Consent Form'. The form should be completed and signed by you and returned to reception together with the medication clearly marked with your child's name and form group.

Asthma Advisory Notice

The Hillingdon Hospital Paediatric Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler twice daily, as we head towards the colder months. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

	Week Commencing: Monday 27th November
MENU 1	

MONDAY
