

Year 12 Royal Holloway Visit

On Thursday 14th December 2023, 52 of our current cohort of Year 12 students visited Royal Holloway University with the aim of introducing and exposing students to the higher education environment.

The day's activities included:

- A campus tour
- Taster Lecture
- Q&A session

The campus tour provided students with first-hand experience of the Royal Holloway university campus' facilities and places of interest including:

- The arboretum (a hidden 3.5-acre garden first planted in the 1950s)
- The Founder's Building (an impressive piece of Victorian architecture based on a French chateau and sitting at the heart of the campus)
- The Picture Gallery (Thomas Holloway's fine collection of Victorian paintings)
- The Chapel (A gilded, non-denominational place of worship and a focal point for the university community.)

The Taster Lecture was given in the afternoon by a current lecturer and prospective PhD graduate in social science, Stefan Brown. The title and focus of the lecture was Social Media & Regulation which introduced students to various thinkers and perspectives to provoke thoughts and questions on whether or not social media should be regulated.

The Q&A involved an interaction between our Post-16 students and Royal Holloway Student Ambassadors. Our Post-16 students were encouraged to write down their questions and place them in a bag to then be sorted into common themes and answered based on the most suitable RHU ambassador.

Mobile Telephone

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College Day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.

Asthma Advisory Notice

The Hillingdon Hospital Paediatric Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler twice daily, as we head towards the colder months. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

Winter Wellness Directory 2024

H4All is delighted to share their Winter Wellness Directory 2024 with you and trusts you will find it useful: <https://www.desalisstudiocollege.co.uk/latest-news/winter-wellness-directory-2024>
