

Accounting Lessons at De Salis

Students at De Salis are offered an enriched and diverse learning experience, from studies such as Criminology and Law to Business and Accounting. This week's accounting lesson focused on source documents and their importance, especially for auditing purposes. Students learnt that a source document is the original document holding the details of a business transaction; it captures the key information of a transaction such as the date, transaction amount and those involved in the transaction. Source documents are often identified with a unique number in order to differentiate in the accounting system as well as investigate any missing documents.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 3819 3421 before 8:45am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this, is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college. Thank you.

Home/College Communication

We believe that strong communication links between the college and parents, guardians and carers are vital in supporting students in achieving their personal best. Research has shown that students' academic progress and achievements are significantly influenced by the extent of parental involvement and interest in their education. The College communicates with parents, guardians and carers in a variety of different ways:

- Verbal: in meetings, by telephone
- Events: information evenings, open evening, academic tutoring
- Written: letters, notes in planners, newsletters
- Electronic: notices posted on the college website, text messages and email

Results from the latest surveys indicate that the majority of our parents, guardians and carers are happy with the quality and quantity of home/college communication. However, if you have any suggestions for further improving communications, please let us know as we are always receptive to new ideas and initiatives.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Uniform Expectations - *Winter*

Our college uniform provides students with a sense of community and pride for their college. It also supports positive behaviour for learning. Therefore, whilst it is important during the winter months for your child to keep warm and wear coats, scarves, hats, gloves and even boots travelling to and from college, correct uniform must be worn once on the college campus. Please support your child in meeting the expectations of uniform by ensuring that correct uniform is worn under their winter garments and that they bring their shoes to change into if they wear boots travelling to and from college. Thank you.

ROSEDALE COLLEGE OPEN EVENING

Tuesday 21st September 2021

6:00pm to 8:30pm

For pupils transferring to secondary school in September 2022

GUESTS LIMITED
one adult per
prospective student

Rosedale and Hewens Colleges' Open Evenings

This year, The Rosedale Hewens Academy Trust secondary phase schools are making provisions to welcome back families and their children onsite to the Open Evenings of Rosedale College and Hewens College.

Parents, guardians, carers and prospective Year 7 students will have the chance to sample the Colleges' innovative curriculum through a variety of activities to give students and their families the opportunity to discover first-hand what is on offer at Rosedale College and Hewens College. Families will also be given the opportunity to enjoy guided tours of the Colleges, promotional videos, speeches delivered by the Principals, and gain an in-depth and valuable insight into the Colleges' ethos, dynamic teaching and the variety of academic and vocational further education options on offer, as well as how these are delivered.

Join Rosedale and Hewens Colleges on the dates below. **It is crucial that only one adult per prospective student attends to limit the number of people on-site.** Please also feel free to explore their websites, read their prospectuses, and follow their social media channels for an insight into life at both Rosedale College and Hewens College.

Rosedale College – Tuesday 21st September at 6:00pm

For further details, please visit (<https://trhat.co.uk/events-openevening-rc/>).

Hewens College – Thursday 30th September at 6:00pm

For further details, please visit (<https://trhat.co.uk/events-openevening-hc/>).

Enrichment Week

Please be reminded that Monday 27th September through to Friday 1st October is Enrichment Week. Students in Year 10 and 11 will be invited to attend if they need to catch up on their coursework. Letters will be sent home to parents, guardians and carers, informing them of what the week will entail, from intervention classes to exciting activities to catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College on 0203 819 3421.

Lost Property

All lost property enquiries should be directed to the main reception of the College on 0203 819 3421. Items that are found on the campus that are clearly marked with the student's name are returned to the student as soon as possible. All unnamed items are kept by reception for students to check.

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day.

In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.
