

France and Belgium Trip

Students in years 9 and 10 attended the annual France and Belgium residential trip over 2 nights and 3 days. On their trip they visited a number of locations from Talbot House and Ypres to Tynecot Cemetery and Passchendaele Museum, followed by a display of artefacts and uniforms from WW1. Students also took part in a cookery lesson, completely in French and were given the opportunity to try snails, to which one of our students ate 10! Everyone had a fun filled, action-packed trip and were buzzing to return on Monday to tell their class mates all about it!

Enrichment Week

Students in years 9 and 10 attended the annual France and Belgium residential trip over 2 nights and 3 days. On their trip they visited a number of locations from Talbot House and Ypres to Tynecot Cemetery and Passchendaele Museum, followed by a display of artefacts and uniforms from WW1. Students also took part in a cookery lesson, completely in French and were given the opportunity to try snails, to which one of our students ate 10! Everyone had a fun filled, action-packed trip and were buzzing to return on Monday to tell their class mates all about it!

Academic Tutoring Meetings

Academic Tutoring appointments are currently being organised for students in Key Stages 3, 4 and Post 16 on Monday 15th and Tuesday 16th April 2024. A separate communication to confirm these appointments will be sent out to parents, guardians and carers in due course. If you have any concerns in regard to your appointment, please contact your child's form tutor via the College reception.

Natrual History Museum Trip

On Thursday 18th March 2024 students in year 9 will attend the Natural History Museum trip. Students are expected to attend at the normal time of 8:45am and return by 4:00pm, traffic permitting. Further communication has been sent with details of the trip. If you have any questions, please feel free to make contact on 020 3819 342.

Home/College Communication

We believe that strong communication links between the College and parents, guardians and carers are vital in supporting students in achieving their personal best. Research has shown that students' academic progress and achievements are significantly influenced by the extent of parental involvement and interest in their education. The College communicates with parents, guardians and carers in a variety of different ways:

- Verbal: in meetings, by telephone
- Events: information evenings, open evening, academic tutoring
- Written: letters, notes in planners, newsletters
- Electronic: notices posted on the College website, text messages and email

if you have any suggestions for further improving communications, please let us know as we are always receptive to new ideas and initiatives.

Medical Appointments

Whenever possible, medical appointments for students should be made outside of college hours. However, when it is not possible to get an appointment outside of college hours, please inform your child's form tutor in writing and in advance of the appointment. It is important to include in your written note to the form tutor if you are collecting your child or if they have your permission to leave college unaccompanied. Please also inform the form tutor if your child will return to college following the appointment.

Recycle, Re-use - College Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved college uniform in order to reduce our carbon footprint.

This is a great opportunity for our college to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's college to support our campaign for green initiatives whilst helping our families in need of support
