

Dr Chocs Chocolate Factory

Last week saw 12 of our Year 10 and 11 girls attend an enrichment trip to Dr Chocs Chocolate Factory in Windsor. Students were given a demonstration on how to make their very own bar before getting the chance to do it themselves! The trip was enjoyed by all, especially the chocolate taste testing!

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Equipment Expectations

It is expected that all students attend all lessons equipped with the following:

- 2 Pens (black or dark blue ink) • 2 Pencils
- Ruler
- Eraser
- Pencil sharpener
- Highlighter
- Calculator
- Protractor
- Pair of compasses

The support of parents, guardians and carers in this matter is appreciated.

Health Care Plans

If your child has a condition, allergy or illness that requires regular long-term medication/ care or requires staff to take urgent action when certain conditions apply, please make immediate contact with your child's form teacher. Arrangements will then be put in place as a matter of priority for a Health Care Plan to be agreed with you and put in place. The plan will detail the level of support that is needed for your child whilst at college.

Mobile Telephones

All lost property enquiries should be directed to the main reception of the College on number. Items that are found on the campus that are clearly marked with the student's name are returned to the student as soon as possible. All unnamed items are kept by reception for students to check.

Taking Medication at College

Please note that students are not permitted to carry any medication (with the exception of inhalers for asthma or Health Care Plan specified medication) whilst in college. This is to ensure the safety and wellbeing of all students. If you wish for your child to take prescribed medicine such as antibiotics, or other non-prescribed medication, such as paracetamol, during the College day, please contact the College office for an 'Administration of Medicines and Treatment Consent Form'. The form should be completed and signed by the parent, guardian or carer of the child and returned to the administration office with the medication, clearly marked with the child's name and form group.
