

De Salis Careers Fair

This year, De Salis hosted their very own Careers Fair for Year 11 students. The day comprised visitors from Uxbridge College, Brunel University and Metropolitan Police to name a few, who were able to give our students an insight into their companies. Students later took part in mock interviews, where they were able to gain valuable interview skills and experience. Well done to all those who took part!

Walk to School Month

October is International Walk to School Month, helping to embed active travel behaviours within the School community, with an opportunity to be part of a global campaign, encouraging students to walk to school alongside young people in over 40 countries!

Considering the contribution that traffic pollution makes to climate change and the effects it has on wildlife and natural habitats around the world, by walking to school, you can reduce your carbon emissions, supporting natural habitats and animals across the globe. To keep the momentum going for Walk to School Month, Living Streets has started a new **#WALKFORTHETHEWORLD** Social Media Challenge. The prize draw is open to all UK schools and families who have a social media account. Please visit (<https://www.livingstreets.org.uk/get-involved/campaign-with-us/international-walk-to-school-month>) for details on how to enter.

Are You Interested in Being a Parent Governor at One of Our Schools?

The Academy Board is the regulatory authority of The Trust and as such is responsible for setting the strategic direction, at a corporate level, across the group of schools within The Trust. Each school has a Local Advisory Board (LAB) which is responsible for advising and assisting the leadership of the School with the standards of high quality teaching; reviewing and reporting on the curriculum offered with reference to national and local requirements; monitoring and reviewing the progress of students in terms of academic achievements, attendance, punctuality and behaviour benchmarked against national and local performance; actively promoting the work of each school within the community; responding to external feedback from national and local bodies to continuously improve the offering of the School and wider Academy Trust. The LAB consists of community (co-opted) members, parents, guardians, carers and staff. The skills set, expertise and commitment of each individual are fundamental, as the LAB is critical to the work of our schools and overall governance arrangements of The Trust. The College is eager to appoint two dynamic individuals as Parent Governors to support the College community in serving the entire student body to the best of its ability. If this opportunity interests you, please contact **Sue Neave**, Admin Officer, by email at trhat@trhat.org or contact the main college reception where a member of staff will advise you of the procedure to follow to apply for the post. Thank you and we look forward to hearing from you!

Traffic Congestion outside the College

The necessity for staggered starts at the beginning of the day, along with the two other schools that share the road, means that we have to be extra vigilant about traffic and safety outside the College. Please can we reiterate that no cars are to be parked on the double yellow lines, up on the pavement or on the 'keep clear' areas. Cars should also avoid making U-turns on Hewens Road, as this is leading to congestion in both directions during peak times. We appreciate that these are exceptional times and that many students are not using public transport, and we kindly ask those who must come by car and are unable to walk, to be dropped off at the designated time with no waiting. Complaints have been made, thus, we anticipate that Traffic Enforcement Officers may be deployed. It is essential that we continue to work together in order to keep our community safe. Thank you for your continued support and cooperation.

	Week Commencing: Monday 18th October	
	MENU 4	
MONDAY

Public Examinations - Summer 2022

We have updated our Public Examinations information on our college website, which gives information about the summer 2022 examinations for Year 11 and Year 13 students. There are also some useful links for students and parents, guardians and carers about revision tips, study skills and managing examination stress. Please visit (<https://www.desalisstudiocollege.co.uk/125/public-examinations>) for access to these resources. Year 11 have been learning about revision techniques and have been given a revision techniques booklet to help them plan their own revision timetable.
