

Trip to Boulogne, Year 10!

Following on from our hugely successful three day residential visit in France, Year 10 students were able to experience a day visit to the picturesque fishing port of Boulogne Sur Mer on Saturday 8th June. Students arrived by Eurotunnel on our outward journey and returned by ferry.

Upon our arrival in Calais, we took a short drive to Boulogne, where students were able to explore the vibrant traditional market. We then proceeded to the old town and explored the cobbled streets and the ramparts. There were a number of cafes and restaurants and students were encouraged to have some traditional French food. Whilst we were there, we were able to make time for a short stop at the beach before taking in a hypermarket prior to our return to Calais.

Welcome Back!

A warm welcome back to our students from their summer holidays. We hope you all spent the time relaxing and enjoying yourselves with your families and friends. Students returned to Hewens College this week with assemblies, presentations and induction activities. The objective is to support our students in finding a suitable routine that will allow them to focus and prepare themselves for the Academic year ahead.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Health Care Plan

If your child has a condition, allergy or illness that requires regular long-term medication/ care or requires staff to take urgent action when certain conditions apply, please make immediate contact with your child's form teacher. Arrangements will then be put in place as a matter of priority for a Health Care Plan to be agreed with you and put in place. The plan will detail the level of support that is needed for your child whilst at college.

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%.

'Free School Meals' (FSM) Entitlement

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school or college for free. If you believe you may be entitled to this benefit for your child, please attend the College reception and request an application form. The member of staff on reception will be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals'. Please note that parents, guardians and carers must reapply each year for this benefit.

Punctuality

We would like to remind parents, guardians and carers of the importance of all students having a positive start to their day by arriving to college on time. All students are expected to be in college for morning registration at 8:45am. If you receive a communication from the College that your child has been late on more than one occasion, please discuss this with them and support them so that they arrive to college on time. Students who are persistently late will be referred to the Educational Welfare Officer.
