

National Coding Week!

We are excited to announce that our College participated in National Coding Week. This event is an annual initiative aimed at encouraging people of all ages to learn more about coding and digital skills. As technology continues to shape our world, coding has become an essential skill that fosters creativity, problem-solving, and critical thinking. All students were able to take part in these activities, whether they are new to coding or already have some experience.

National Fitness Week Activities!

At De Salis, all students participated in celebrating National Fitness week. The event is part of a nationwide initiative to promote health, well-being, and physical activity among all age groups. It was a great opportunity to encourage staff and students to prioritise fitness and adopt healthier lifestyle habits. The week consisted of Morning Fitness sessions, Fitness Challenges, Sports Tournaments and Healthy Living Workshops. By the end of the week, De Salis hosted a friendly sports match between teachers and students where students were able to cheer for their favourite teams. Thank you to all who participated!

College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits. Should there be an opportunity for the College to host an internal event or facilitate a VIP (very important person) visit, it is essential that students continue to project a positive image of the College. As such, all students are required to wear full college uniform in order to participate in special events.

Upcoming Enrichment Week

The next Enrichment Week will take place from Monday 28th October through to Friday 1st November 2024. Students in Years 9,10 and 11 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%.

Mobile Telephones

While the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand in their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Week Commencing: <i>Monday 23rd September</i>		
MENU 4

Quote of the Week

"If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place." - *Nora Roberts*
