

Cadbury World

The Year 11 students were taken on an educational trip to Cadbury World in the West Midlands. De Salis being a Business college, they were all fascinated to learn more about how a multinational corporation deals with production processes, marketing and branding. The everyday ubiquity and familiarity of some of the products gave the trip a real life feel that our students could relate to. They behaved impeccably and asked incisive, intelligent questions. They were even allowed to have a little fun.

Students were able to enjoy interactive exhibits, a behind-the-scenes look at how chocolate is made, and of course, some free samples! This trip aligns with our curriculum focus on business studies, offering a hands-on learning experience!

Asthma Advisory Notice

The Hillingdon Hospital Paediatric Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler twice daily, as we head towards the colder months. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.
