

## De Salis vs Parkside

Students were pleased to receive an invite from their sister studio college, Parkside, for a friendly football and basketball tournament. De Salis rose to the challenge and headed over to the Parkside facilities, where tip-off took place. Later that day, we saw De Salis and Parkside at kick off where Samir scored the deciding goal for victory! Well done De Salis for your good sportsmanship and a massive thank you to Parkside for the invite. We look forward to hosting more events together!

## Post 16 Open Evening - Monday 22nd November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on **Monday 22nd November at 6:00pm** to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed!

In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at (<https://trhat.co.uk/explore-post16/>).

## Individual Student Photographs

All orders placed for the individual student photographs have been received by the College and have been distributed to the students this week to take home. Unfortunately, the deadline date for orders to receive free delivery back to the College has now passed. For those who still wish to place an order will need to do so directly to Fraser Portraits; this will now incur an additional surcharge of £4.00 per pack which will be sent directly to your home address. If you have any queries, please contact the College.

## The Vaccination Programme and Testing

The Secretary of State for Education, Nadhim Zahawi, has written an open letter to parents, guardians and carers about the importance of students aged 12 to 15 getting their coronavirus vaccination and how this has been made easier. The letter provides information into the new option for students now being able to book their vaccinations locally at a centre using the NHS book a vaccination service, as well as the option to have it at college.
