

### De Salis Christmas Care and Share

If you're a student of De Salis, you know family is what we are. If you're a parent, you know inclusivity and diversity is what we do. Students and staff at De Salis have worked hard and smart to gather resources such as clothing, toiletries and non-perishable items in order to put together the De Salis Care and Share initiative. The aim is to support families in need over the Christmas period, and we couldn't have done this without our biggest supporters - you, our Parents, Guardians and Carers of De Salis.

## Parent Partnership Newsletter

In our recent survey, we asked Parents, Guardians and Carers ways in which we can further support their child's education and learning. A frequent request was for further resources that students can use over the holiday period. With this in mind, we have collated some useful links for English, Mathematics and Science:
