

Holocaust Memorial Day

On Wednesday 29th of January an assembly was held to highlight Holocaust Memorial Day 2025. The theme for Holocaust Memorial Day was "For a Better Future". The assembly highlighted the 80th anniversary of the liberation of the Jews from Auschwitz-Birkenau, the largest Nazi concentration camp complex, the 31st anniversary of the genocide against the Tutsi in Rwanda and the 30th anniversary of the genocide in Bosnia. The assembly allowed students to reflect on the tragedies by antisemitism to families and nations. Students were engaged and shared their thoughts and feelings about these events. The key take away points from the presentation and discussions with the students includes, not taking our freedom for granted, learning about the Holocaust and more recent genocides can help us all to identify the warning signs in the world around us, report (abuse, antisemitism and hate crimes) and take actions to make a better future for all.

Free School Meals - Application Process

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school for free. If you believe your child may be newly entitled to this benefit, or if they received it last year and you would like to reapply, please attend the College Reception and request an application form.

The College Reception will also be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals'. The Free School Meals benefit does not automatically renew; it must be reapplied for each academic year. It is important to note that until your child has been confirmed as receiving the Free School Meals benefit, their school lunches must be paid for.

Childrens Mental Health Week

Place2Be's Children's Mental Health Week 2025 is joining forces with Here4You to explore the importance of self-awareness and expressing emotions.

Here4You is supported by The Walt Disney Company, and through the characters of Pixar's Inside Out and Inside Out 2, they have produced resources to encourage children and young people across the UK to discover how getting to know who they are can help them build resilience, grow and develop.

Help us explore the theme of Know Yourself, Grow Yourself. Visit our website for top tips and creative activities to enjoy with your children at home.
