

Year 11 Leavers Assembly

This week we said a fond farewell to our Year 11 cohort after their successful GCSE examinations by hosting our annual Leavers Award assembly. Students were celebrated not only for their academic achievements but also recognised for their efforts and remarkable personalities. Students enjoyed listening to citations and enthusiastically cheered on their peers. We hope all our year 11's take a well deserved break and we are looking forward to the return of some of our students in Year 12 in September, whilst extending our best wishes to all our other students on their future endeavours.

Year 11 Prom

The year 11 prom is almost upon us and will mark the end of Key Stage 4 for our year 11 cohort and their GCSE examinations at De Salis Studio College. This is set to be a wonderful event and a fitting time to celebrate all their achievements and successes that students have worked extremely hard for. A reminder that all students must have purchased a ticket to attend. We look forward to welcoming you all.

Hillingdon Recycling Team Assembly

On Tuesday, June 17, 2025, Romy Santer, Team Leader for the Hillingdon Council Recycling Team delivered an informative and engaging presentation to our students about 'Recycling'. The focus was on the importance of recycling as well as clarification on the recycling nature of some frequently used items in our homes and school. The students were quite receptive and asked relevant questions throughout this presentation.
