

### French Trip

Our departing Year 11 bid us a fond farewell with a final cross-channel trip to Port Boulogne Calais and the wonderful ancient walled city of Boulogne-sur-Mer. As well as taking in cultural cuisine, they took the opportunity to explore the seaside from the other side of the channel, the White Cliffs of Dover are visible in the group shot. The trip was a memorable way to say goodbye to a memorable year group.

## Sports Day

We are delighted that the Trust will be holding Sports Day at Hillingdon Athletics Stadium on Monday 7th July for Year 9 and Tuesday 8th July for Years 10 and 11. The day will run from 9:30am to 3:00pm with various sporting activities for students to participate in. Due to limited parking availability, spectators will not be permitted. Please ensure your child is in their full College PE kit and attend with a packed lunch and water for the day. Those in receipt of free schools meals will be given a packed lunch supplied by the College. We plan to finish at 3:00pm and therefore we ask parents, guardians and carers to make pick up arrangements for your child. In the event that we have no choice but to cancel due to heavy rain, students should come to college as normal to take part in their scheduled timetable lessons. Should this decision be made, we will send a text message and email to notify you.

## Alliance Challenge - The Big De Salis Re-Cycle

Alliance Challenge will commence on Monday 7th July, culminating on Thursday 17th July. The theme is 'recycling', and students will be entering a series of competitive events, the aim of which will be to merge our strengths of entrepreneurship and innovation with the need to persuade the world that they have to recycle and be more environmentally responsible to save the environment. The Alliance Form Challenge programme is designed to develop students' skills in a number of disciplines. We wish all our students an exciting and pleasurable learning experience throughout the Alliance Form Challenge and thank you for your continued support. To keep updated on the Alliance Challenge events throughout this time, please head to our Instagram page (@desalisstudio).
