

## De Salis Day of Culture

On Monday 13th December, De Salis held its annual Day of Culture. The students celebrated and explored a myriad of cultures represented in the De Salis family. The assembly was a fantastic opportunity for students to learn from their peers as well as to interact and see visual representation of each culture at De Salis. The presentation was interactive, asking the audience to guess which country was next via a pin on a map. Students indulged in the challenge and even volunteered to be dressed in a fellow classmate's cultural wear in a bid to represent cultural equality and diversity.

### Start of Term

College commences for the Spring Term on Thursday 6th January 2022. Lateral Flow Testing will be carried out on the first day of term, therefore, the College will operate a staggered start as follows:

Year 11 - 9:00am

Year 10 - 10:00am

Year 9 - 11:30am

Post 16 - 12:30pm

Lessons will begin promptly after, so please ensure that your child arrives on time in full college uniform. It is extremely important that every student makes a positive start to the new term.

### Update on Face Masks

We have reviewed the current circumstances regarding face masks in line with the recent government guidelines and will be proceeding with the approach informed by the government and the World Health Organisation (WHO).

The health and safety of our students and staff are of paramount importance. Thus, we would like to reiterate the importance of all students being highly recommended to wear face masks in all communal areas of the College campus as well as on public transport and the minibuses. This measure has been implemented to reduce the risk of coronavirus (COVID-19) transmission and will provide yet another layer of reassurance to students, families and staff, and build on the stringent measures already implemented around the site. Further information can be found on the letter that was distributed in November or via (<https://bit.ly/2ZDHCWx>). **Please note that face coverings do not replace social distancing or hand washing, however, combining these measures gives us the best chance of preventing COVID-19. Your cooperation in this matter is highly appreciated.**

### Keeping Children Safe – Christmas Facebook Live

Online Safety is an important part of keeping children safe at college. In an ever-changing world, ensuring students' safety online has never been more important.

As we continue to promote positive use of technology to ensure the safety of all our students, they need strict guidance to positively and safely access information on the internet, communicate via social networks, use applications and play games.

On Monday 20th December at 7:00pm, The London Grid for Learning (LGfL) DigiSafe will be hosting a Facebook Live Question and Answer drop-in for all parents, guardians and carers whose children have access to any internet-enabled devices via **@LGfLDigiSafe**. Special guests and leading experts including Common Sense Media will attend to share advice on applications, games and the latest trends. There will also be a discussion about various topics including bullying, relationships and criminal/sexual exploitation. Sign up now at ([facebook.com/LGfLDigiSafe/posts](https://facebook.com/LGfLDigiSafe/posts)) to confirm your attendance.
