

Year 10 French Trip

The final France trip for 2025 was with our Year 10 students. First stop was to the fish market in Boulogne where crabs and lobsters can be purchased alive. The French are renowned for their culinary skills and for insisting on the freshest possible ingredients. Boulogne saw the arrival of one stage of the prestigious Tour De France cycle race on July 6th, and there was still plenty of race souvenirs to be seen. Students were struck by the simple beauty of the Egyptian gardens which celebrate a famous son of Boulogne, Auguste Mariette, a renowned Egyptologist. No trip to Boulogne would be complete without a shopping opportunity at the hypermarket or a mango ice cream at Wissant. Blustery conditions enabled some of the kite surfers to rise out of the water and fly through the air for many metres at quite a height.
