

## Year 11 French Trip

No sooner were the students back for a new academic year, than the mini-bus was once again headed for Folkestone to board Le Shuttle to France! We managed to dodge the showers whilst exploring the picturesque old town of Boulogne, the ramparts, the citadel and the moat. Students were in awe of the fabulous dome inside the Cathedral of Notre Dame. After lunch it was the popular hypermarket before taking the wild, rugged coastal road to Wissant beach. The winds meant the surf was up, and the group marvelled at the skills of the kite surfers who laid on a marvellous show! We are considering taking up a new sport as, it seems to hold the key to longevity!

### Emergency Contact Details

In the best interest of your child's wellbeing whilst at College, it is vitally important that in the event of an emergency, we are able to make contact with you or another emergency contact as quickly as possible. Therefore, we would like to remind all parents, guardians and carers to update the College of any changes made to the contact numbers provided including the additional emergency contacts.

### Attendance and Punctuality

We would like to remind parents, guardians and carers the importance of students attending school regularly and having a positive start to their day by arriving to college on time. All students are expected to be in college for morning registration at 8.45am. If your child needs to attend a medical appointment, please support your child by organising outside of college hours. The expectation of the Governing Body is that all students will achieve a minimum annual attendance rate of 96%.
