

Macmillan Coffee Morning - A Huge Success!

We are thrilled to share that our recent Macmillan Coffee Morning was a fantastic success, thanks to the wonderful support from our school community and the incredible efforts of our students. From baking to selling, our students truly rose to the occasion. They showed great enthusiasm, teamwork, and creativity in preparing a delicious variety of cakes and treats. It was fantastic to see so many students proudly sharing their homemade bakes, and witness them confidently running the cake stalls engaging with guests. Thanks to everyone's generosity and participation, we raised an impressive £272.85p for Macmillan Cancer Support. Every contribution helps provide vital support for those affected by cancer, and we are proud to have played our part. Well done to all our students for their hard work and community spirit. We couldn't be prouder!

NO ONE SHOULD FACE CANCER ALONE
MACMILLAN CANCER SUPPORT

Thank you!

We would like to say a big thank you to all our students, parents, guardians, carers and staff for coming together and supporting our macmillan coffee morning event. we raised a fantastic £272.85. your support for this wonderful charity is greatly appreciated.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at College, it is vitally important that in the event of an emergency, we are able to make contact with you or another emergency contact as quickly as possible. Therefore, we would like to remind all parents, guardians and carers to update the College of any changes made to the contact numbers provided including the additional emergency contacts.

Attendance and Punctuality

We would like to remind parents, guardians and carers the importance of students attending school regularly and having a positive start to their day by arriving to college on time. All students are expected to be in college for morning registration at 8.45am. If your child needs to attend a medical appointment, please support your child by organising outside of college hours. The expectation of the Governing Body is that all students will achieve a minimum annual attendance rate of 96%.
