

Right Choices Presentation

This week, our school held an engaging assembly focused on the theme of making the right choices. The students actively participated and responded very positively to the important messages shared. Through interactive discussions and real-life examples, the assembly encouraged everyone to think carefully about their decisions and the impact they have. It was wonderful to see our students so involved and thoughtful during this event. We look forward to continuing to support them in making good choices every day!

Black History Month Assembly

This week, our school held a meaningful assembly in honor of Black History Month. The students learned about the importance of Black history as a vital part of everyone's story, highlighting how it shapes our shared past and future. The assembly was both inspiring and thought-provoking, encouraging students to appreciate diversity and the contributions of Black individuals throughout history. It was a powerful reminder that Black history is truly everybody's history.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at College, it is vitally important that in the event of an emergency, we are able to make contact with you or another emergency contact as quickly as possible. Therefore, we would like to remind all parents, guardians and carers to update the College of any changes made to the contact numbers provided including the additional emergency contacts.

Student Photos

A photographer from Fraser Portraits will attend the College on Monday 13th October to take student photographs. Please ensure that your child attends dressed smartly in full college uniform. These photos will be available for parents, guardians and carers to purchase and the information on how to do this will follow after this event have been taken.

Enrichment Week - October Half Term

The next Enrichment Week will take place from Monday 27th October through to Thursday 30th October. Students in Years 9, 10, 11 and Post-16 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on number before time. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.
