

## National Poetry Day

In celebration of National Poetry Day, students at De Salis Studio College embraced the power of words by creating their own original poetry. Students were tasked with crafting quatrains and rhyming couplets that reflected the diverse, aspirational, and inclusive culture of our college community. The results were both inspiring and thought-provoking. From verses celebrating personal ambition to lines exploring identity and unity, our students captured the spirit of De Salis with creativity and confidence. The highlight of the day saw selected students share their work in a special college-wide reading, where they performed their poems in front of peers and staff. It was a proud moment that showcased not only their poetic talents but also their courage and passion for expression. National Poetry Day reminded us all that poetry is a powerful medium for reflection, connection, and celebration — values we hold close at De Salis Studio College.

### Emergency Contact Details

In the best interest of your child's wellbeing whilst at College, it is vitally important that in the event of an emergency, we are able to make contact with you or another emergency contact as quickly as possible. Therefore, we would like to remind all parents, guardians and carers to update the College of any changes made to the contact numbers provided including the additional emergency contacts.

### Student Photos

A photographer from Fraser Portraits will attend the College on Monday 13th October to take student photographs. Please ensure that your child attends dressed smartly in full college uniform. These photos will be available for parents, guardians and carers to purchase and the information on how to do this will follow after this event have been taken.

### College Uniform

Our college uniform provides students with a sense of community and pride for their college. It also supports positive behaviour for learning. Therefore, whilst it is important during the colder months for your child to keep warm and wear coats, scarves, hats, gloves and even boots travelling to and from college, correct uniform must be worn once on the college campus. Please support your child in meeting the expectations of uniform by ensuring that correct uniform is worn under their warmer garments.

### Attendance and Punctuality

We would like to remind parents, guardians and carers the importance of students attending school regularly and having a positive start to their day by arriving to college on time. All students are expected to be in college for morning registration at 8.45am. If your child needs to attend a medical appointment, please support your child by organising outside of college hours. The expectation of the Governing Body is that all students will achieve a minimum annual attendance rate of 96%. Any absence must be communicated by the parent, guardian or carer for each day your child is absent.

### Quote of the Week

"Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid." - Albert Einstein
