

National Recycling Week

This week, we came together for a special assembly to celebrate National Recycling Week and to highlight the vital importance of being environmentally aware. Students learned how small, everyday actions like recycling correctly, reducing waste, and reusing materials can make a big difference in protecting our planet. The assembly encouraged everyone to think about how the choices we make today affect the world we'll live in tomorrow. By working together as a college community, we can all play a part in creating a cleaner, greener future.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at College, it is vitally important that in the event of an emergency, we are able to make contact with you or another emergency contact as quickly as possible. Therefore, we would like to remind all parents, guardians and carers to update the College of any changes made to the contact numbers provided including the additional emergency contacts.

Enrichment Week - October Half Term

The next Enrichment Week will take place from Monday 27th October through to Thursday 30th October. Students in Years 9, 10, 11 and Post-16 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on number before time. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.
