

Girls Link Up Workshop

This week, De Salis students began the exciting 'Girls Link Up' Workshop, an inspiring eight-week programme that they have already thoroughly enjoyed. Designed to empower young women with the skills, confidence and knowledge to launch their own businesses, the workshop guides participants through the key stages of entrepreneurship. Students will explore how to identify business ideas, conduct market research, and develop strong business models before presenting their own startup concepts. Along the way, they'll have the opportunity to connect with successful female entrepreneurs, receive valuable mentorship, and collaborate with like-minded peers.

Odd Sock Day

As part of Anti-Bullying Week, we are excited to invite all students to take part in Odd Socks Day on Monday 10th November 2025. It's a fun and simple way for children to celebrate what makes us all unique by wearing a pair of odd socks to college! Odd Socks Day is about raising awareness. It's a chance for us to stand together and say no to bullying, while embracing the values that shape our Trust community. We ask students to give a voluntary contribution of £0.50p that will provide resources for our enrichment activities here at De Salis.

At the Rosedale Hewens Academy Trust we use our 6Rs to stand up against bullying...

We are → **Respectful**
Responsible **Reflective**
Resourceful **Rational**
Resilient

Year 11 GCSE Booster Sessions

We are pleased to announce that, from Monday 10th November, booster classes will be available for all Year 11 students as part of our ongoing commitment to support them in the lead-up to their GCSE examinations. These sessions are a valuable opportunity for students to strengthen their understanding, build confidence, and prepare effectively in their core subjects. Each session will run from 4:00pm to 5:00pm, following the timetable below:

- Monday: Maths
- Tuesday: English
- Wednesday: Economics & Psychology
- Thursday: Business
- Friday: Science

We strongly encourage all Year 11 students to attend these booster sessions each week. Consistent participation will make a real difference in their exam readiness and overall performance. We also ask for parents' continued support in encouraging attendance and engagement, helping students make the most of this important opportunity.

Car Park Safety Reminder

We kindly ask all parents and carers to take extra care when entering and leaving the school car park during morning drop off times. Many students use the gates at these times, and their view of approaching vehicles can be limited. Please drive slowly, remain alert, and help us keep everyone safe.

Social Media and Age Restrictions: What Parents Need to Know

Most social media platforms are not legal for children under 13 years old in the UK. This includes popular apps such as:

- TikTok
- Instagram
- Snapchat
- Facebook
- Discord

(Minimum age for these platforms: 13+)

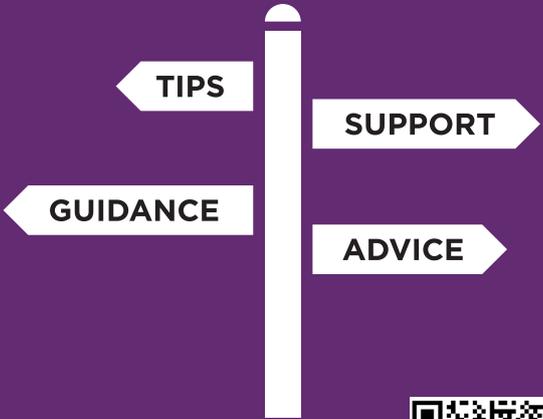

External Parent and Carer Workshops

PARENTS AND CARERS WORKSHOP

Join local officers and partner services for an information evening. Learn how to spot the early signs of child criminal exploitation and grooming and the support available.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on number before time. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.

Dates for the Diary

November / December 2025

NOVEMBER
