

World Kindness Day

This week, De Salis Studio College was proud to celebrate World Kindness Day, an event that aligns closely with our core ethos of compassion, respect, and community. Throughout the day, students and staff came together to recognise the power of small acts of kindness and the positive impact they have on our college environment. To mark the occasion, students and teachers wrote heartfelt messages on kindness postcards, expressing appreciation for one another and celebrating the supportive relationships that make our college special. Our Kindness Assembly was a highlight of the celebration, where several students were nominated for Kindness Accolades in recognition of their thoughtful actions and supportive attitudes. Their contributions serve as a reminder of the caring culture we strive to nurture at De Salis. World Kindness Day is more than a single event, it is a reflection of who we are as a college. At De Salis Studio College, kindness underpins everything we do. We believe that by encouraging empathy, gratitude, and respect, we help our students grow not only as learners but as responsible and compassionate members of the wider community.

Remembrance Day

This week, De Salis Studio College held a reflective Remembrance Day assembly to honour those who have served. We were pleased to welcome pupils from Brookside Primary School, who joined us for the occasion. The assembly was led by Mrs Massey, who shared the significance of Remembrance and encouraged students to reflect on its importance. It was a meaningful moment that brought our schools together in respect and remembrance.

Trip to Cadbury World

Students recently enjoyed an exciting and informative trip to Cadbury World as part of their Business Studies learning. During the visit, they explored how Cadbury operates within an oligopoly market structure and discovered how the company extends the product life cycle of its most popular items. Students also learned how Cadbury's range fits within the Boston Matrix and why effective marketing is essential for maintaining a strong brand. The tour offered fascinating insights into the history of Cadbury, from its early beginnings to its global success today. Students also took part in a marketing workshop, giving them a hands-on opportunity to apply key business concepts in a real-world context. It was an engaging and valuable experience that supported their classroom learning in a memorable way.

Year 11 GCSE Booster Sessions

This is to remind parents, guardians and carers that the Year 11 booster classes commenced on Monday. As part of our ongoing commitment to support them in the lead-up to their GCSE examinations, these booster sessions are a valuable opportunity for students to strengthen their understanding, build confidence, and prepare effectively in their core subjects. Each session will run from 4:00pm to 5:00pm, following the timetable below:

- Monday: Maths
- Tuesday: English
- Wednesday: Economics & Psychology
- Thursday: Business
- Friday: Science

We strongly encourage all Year 11 students to attend these booster sessions each week. Consistent participation will make a real difference in their exam readiness and overall performance. We also ask for parents' continued support in encouraging attendance and engagement, helping students make the most of this important opportunity.

Quote of The Week

"The best way to predict your future is to create it." — Abraham Lincoln

PARENTS AND CARERS WORKSHOP

Join local officers and partner services for an information evening. Learn how to spot the early signs of child criminal exploitation and grooming and the support available.
