

End Violence Against Women Assembly

This week's assembly marked International End Violence Against Women Day. Ms Kamran shared a number of thought-provoking and sobering anecdotes from her homeland, encouraging reflection and discussion on this important issue. The day also signals the start of the 16 Days of Activism, a global period of awareness focusing on ending domestic, gender-based and sexual violence, and concluding on International Human Rights Day on Wednesday 10th December. The assembly concluded on a celebratory note, with Mr Burke presenting certificates of completion to our excellent Year 10 students.

Wreath Making enterprise

The wreath-making enterprise continues to progress, with students working tirelessly to create a beautiful range of door wreaths and table arrangements, ready to go on sale next week. Their teamwork throughout the project has been exemplary, with many students developing new practical and creative skills along the way. With a number of orders already placed, the success of the project once again highlights the strong business focus of the college and reinforces our ethos that 'Education means Business'.
