

Celebration and Achievement Assembly

De Salis Studio College marked the end of the Spring Term with its Achievement and Celebration Assembly, recognising students' academic success and contributions across the College.

The assembly celebrated students for their hard work, progress and achievements throughout the term. It also provided an opportunity to reflect on the positive efforts of the College community and the commitment shown by students in their learning.

Students were also recognised for their excellent attendance and punctuality, with awards presented to those who achieved 100% attendance and demonstrated a consistent commitment to arriving prepared and on time throughout the term.

It was a fitting conclusion to the term and a valuable opportunity for students and staff to come together as a College community.

Uxbridge High Careers Fair

On Wednesday, 25th March, staff from the College attended a careers fair at Uxbridge High School, where they represented the De Salis Studio College alongside a wide range of businesses and organisations. As the only other College present, this provided a valuable opportunity to highlight our distinctive offer and engage with a broad audience of students.

Throughout the event, staff interacted with Year 10, Year 11 and post-16 students, delivering eye-catching IT demonstrations that attracted significant interest. These demonstrations provided an engaging way to showcase the practical, skills-based learning that underpins the College's curriculum.

The stand was consistently busy, with groups of students gathering to learn more about the College, its unique ethos, and the opportunities available. Staff took the opportunity to speak directly with students about pathways, expectations and the benefits of studying in a focused, career-driven environment.

Well done to the staff involved for representing the College so positively and professionally, and for promoting the College's vision and values with enthusiasm..

Enrichment Week - Easter Break

The next Enrichment Week will take place from Monday 30th March through to Thursday 3rd April. Students in Years 9, 10, 11 and Post-16 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

Community Resilience Roadshow - Saturday 9th May 2026

Community Resilience Roadshow
Saturday 9th May 2026
Hillingdon Fire Station | 2:00pm to 16:00pm

Hillingdon Council is excited to announce the Community Resilience Roadshow on Saturday 9th May 2026, from 12:00pm to 4:00pm Hillingdon Fire Station—and they would love for you to join them! This free, family-friendly event brings together local emergency responder partners to help residents learn how to stay safe, prepared, and resilient in an emergency. Children and adults can explore real emergency vehicles, meet teams from services such as the London Fire Brigade, Metropolitan Police, London Ambulance Service, the Environment Agency, and more, while taking part in hands-on safety activities and enjoying free food. It's a fantastic opportunity for young people to discover how emergency services work and build lifelong preparedness skills.

Visit our website to reserve your spot and for more information:
