

Culture Day

De Salis celebrated Culture Day with a vibrant programme of activities recognising the diverse cultures, traditions and backgrounds represented within our community.

Throughout the day, participants enjoyed a variety of cultural presentations, traditional dance performances and interactive activities, celebrating the many cultures represented across the College. The event encouraged students and staff to learn from one another, share their heritage and appreciate the richness of different traditions.

Culture Day was a fantastic celebration of diversity, reinforcing the values of respect, inclusion and belonging across the De Salis community.

Year 9 Day Trip to Boulogne, France

As part of De Salis' programme of end-of-year enrichment visits, Year 9 and Year 10 also enjoyed a day trip to France, with every year group from Year 9 through to Post-16 having the opportunity to visit Boulogne.

For many of the new Year 9 cohort, the visit provided an excellent opportunity to build friendships, settle into life at De Salis and experience a different culture together. The day offered a memorable way to strengthen relationships and conclude the academic year on a positive note.

Market Day

The annual Summer Market Day brought the De Salis community together for an afternoon of creativity, enterprise and fun. Working in teams, participants planned and managed a variety of stalls, putting their business ideas into practice while welcoming parents, guardians and carers, staff and visitors.

A wide range of games and activities kept everyone entertained, including the ever-popular opportunity to throw wet sponges at members of staff, alongside handmade products and refreshments. The event showcased teamwork, creativity and communication while raising funds and celebrating the entrepreneurial spirit that is central to life at De Salis.
