

Enrichment Revision Sessions

As the examination season has begun, students spent the last Enrichment Week on much needed revision. Enrichment Week is a valuable part of the De Salis curriculum, especially close to the examination season as it allows staff to dedicate time to those who need it most. Good luck to all our students sitting their public examinations in the forthcoming weeks. Never doubt your capacity to attain success as there is something in all of you that makes you capable of achieving great things. Push yourself beyond limits and remember, discipline, perseverance and self-belief are the keys to success.

Upcoming Public Examinations

As you may be aware, the examination season for Year 11 and Post 16 starts on Monday 16th May and ends on Monday 27th June. In order to ensure all students have the best opportunity of success in their upcoming GCSE and GCE examinations, it is important that students settle into regular and structured home revision. Below are some tips for parents, guardians and carers on how to help your child with home revision:

- Keep siblings occupied at revision times
- Ensure they are properly hydrated and are eating well
- Ensure they have adequate sleep
- Help them to put a home revision schedule together
- Break revision times into small 15 to 20-minute periods
- Keep positive, create a 'can do' attitude

Health Care Plans

If your child has a condition, allergy or illness that requires regular long-term medication/care or requires staff to take urgent action when certain conditions apply, please make immediate contact with your child's Alliance Director. Fusion Mobile

Fusion Mobile is the downloadable app used to pre-order your child's meal, view their previous meals and account balance. It is important to note that if you would like your child to be provided with school meals, you must pre-order their food of choice the night before or at the very least, that morning in order for them to receive a school lunch. You can download the app for Apple or Android by using the following link (<https://connect.crbcunninghams.co.uk/>.) To register, you will require your Fusion Mobile reference code, also provided by your child's college. If you have not yet received this, please contact Ms Jones.

Quote of the Week

"You have to set goals that are almost out of reach. If you set a goal that is attainable without much work or thought, you are stuck with something below your true talent and potential".
