

Highest Achiever of 2021

De Salis was founded in 2014, whereby we have ensured to celebrate academic achievement by awarding the student with the highest academic achievement a spot on the De Salis shield. Once engraved, the shield is presented to the student in front of the current Year 11 cohort, as a representation of what they could soon achieve. Congratulations to this year's highest achiever for your academic dedication; you continue to make De Salis proud!

Year 11 Prom Extravaganza - Extended Date

The Year 11 Prom is underway, and while the deadline for payment was initially to be made by Monday 23rd May, we have now extended the date to **Friday 10th June** due to the fantastic turnout we have seen in previous years, and to allow more time for those who have not yet purchased their tickets.

You will have seen the video montage on screen and heard about the events of the past, but this year's prom is like no other!

With five hours of the gala devoted to good food, socialising and making memories to last a lifetime, this provides a backdrop for the most anticipated annual gathering that will have far more to offer.

For those who have already purchased tickets, you will be entitled to a **VR (Virtual Reality) or gaming experience** at the Trust where you will be able to explore the entire 360 degrees of an entire scene through a VR headset. For all of those yet to purchase tickets, there are still some great opportunities to take part in.

In lieu of the conventional prom, as a ticket holder you will receive:

- ☆ *the opportunity to take part in an internal competition designing a **Snapchat Geofilter**, with the possibility of your entry being submitted to Snapchat for use on the day, making it all the more personal*
- ☆ *the opportunity for students to showcase their talent at the venue and perform for our attendees*
- ☆ *access to a cutting edge **360 photo booth** to capture the entire experience with one button – a publicity dream for our superstars of the night*
- ☆ **Special Guest attendance**
- ☆ *five hours of unforgettable, memories!*

To change the course of the night further, this year's event will see the full professional photography studio experience with contemporary backdrops, great lighting and the opportunity to **receive high quality photo prints** instantly.

Following the last few years that has stripped away milestones, freedom and opportunities, the Year 11 Prom will be a great way for students to celebrate the culmination of their Year 11 experience. This year's event will be exhilarating, bespoke and there will be a series of 'wow' moments that students will carry with them for the rest of their lives. We have a number of exclusive things lined up; so, get your tickets and experience the Year 11 Prom in the most extraordinary way!

Please note, we are now offering an alternative payment option. Cash payments will now be accepted in addition to iPayimpact, and should be handed in to **Ms Jones** to secure your child's place.

Should you wish to discuss the details of the Year 11 Prom, please contact **Miss Patel** at apatel@trhat.org.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride.

"I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear." - *Nelson Mandela*
