

Year 9 Transition Week

Monday 6th June marked the start of this year's Transition Week. Students from Year 8 who have applied to De Salis, are given a two-week transition period, where they get a taster of some of the many lessons and activities De Salis has on offer. This year, students especially enjoyed taking part in the Science practical which saw teams create a housing for an egg, in preparation for a drop test, to see who could protect the egg the best! This week has proved to be a success and we look forward to next week's adventures.
