

Waterwheel Experiment

As a lead off from British Science Week, our Year 11 students capitalised on a hands-on experience in building a functioning waterwheel. A waterwheel is a machine used for converting energy of flowing or falling water into useful energy sources. The students were provided with all the materials needed for the construction and utilised their creative skills to build their own waterwheel without following any blueprints.

This expanded their understanding of how energy is generated in some parts of the world in a similar fashion and the origin of the automation of work.

Coronavirus Testing

Lateral Flow Testing has formerly been carried out in college. Please note, it is now the responsibility of the students to perform the coronavirus tests twice weekly using the self-test kits distributed last week. A letter with further details can be found on the College website or via: <https://trhat.co.uk/letter-covidtestresults-ds/>. After receiving your result, please register this via the government website as well as through the College using this link. <https://trhat.co.uk/covidtestresults-ds/>.

IPayimpact Update

Earlier this year, we introduced a new cashless catering system, providing parents, guardians and carers with a convenient, secure and verifiable way of making online payments to school meals as well as uniform. IPayimpact has now rolled out a brand-new, modernised look that is easy to navigate and simple to use on your mobile phone or tablet. These exciting, upcoming developments will be visible from Thursday 1st April and you will see the updated user interface when logging into the platform. All functionalities and navigation of the system remain the same. To watch a video demonstration of the key changes, please visit: <https://www.youtube.com/watch?v=HxwEJuC-RY8&t=1s>.

Coronavirus in Hillingdon

Infection rates of coronavirus (COVID-19) in the West London area haven't fallen as low as other parts of the capital. As you may be aware, Hillingdon in particular has higher rates of infection. As such, in order to lower the rates across our borough, it is vital that we all do our bit to reduce the spread of COVID-19 as every action we take will help to keep our borough safe. http://upload.reactcdn.co.uk/rosedale/uploads/document/2_303_xxxx-remember-to-instagram-1080x1080-blue.jpg. Therefore, please ensure you continue to:

- Wash your hands
- Cover your face
- Keep a safe distance
- Get tested
- Take your vaccine when offered

End of Term

The spring term ends on Thursday 1st April 2021. All students will be expected to attend college at the normal time of 8:45am but there will be an early phased dismissal as follows:

Year 9 – 12:00pm
Year 10 – 12:15pm
Year 11 – 12:30pm
Post 16 – 12:00pm

Quote of the Week

"Get it done now. The anxiety of continually thinking about a task you're not doing, and beating yourself up over it, is often more difficult (and time consuming) than actually doing it."
- Neil Strauss

		Week Commencing: <i>Monday 29th March</i>	
		MENU 3	
MONDAY

Enrichment Week and College Closure

The next Enrichment Week will take place from Tuesday 6th through to Friday 9th April. Students in Years 9, 10 and 11 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers in due course, with full details of the intervention classes, activities and catch-up sessions, some of which may take place virtually. This will be followed by a college closure from Monday 12th through to Friday 16th April. Further details can be found on the college website or via: http://upload.reactcdn.co.uk/rosedale_desalis/uploads/document/2_236_end-of-term-easter-holidays.pdf. If you have any questions or require any further information, please do not hesitate to contact the College on 020 3819 3421.
